

Ed Sheeran - The Joker And The Queen (feat. Taylor Swift)

tom:

C

[Primeira Parte]

How was I to know?
 It's a crazy thing
 I showed you my hand
 And you still let me win
 And who was I to say
 That this was meant to be?
 The road that was broken
 Brought us together

[Refrão]

And I know, you could fall
 For a thousand kings
 And hearts that would give you
 A diamond ring
 When I fold
 You see the best in me
 The joker and the queen

[Segunda Parte]

I've been played before
 If you hadn't guessed
 So I kept my cards closed
 To my foolproof vest

But you called my bluff
 And saw through all my tells
 And then you went all in
 And we left together

[Refrão]

And I know
 You think that what makes a king
 Is gold
 A palace and diamond rings
 When I fold
 You see the best in me
 The joker and the queen
