

Ed Sheeran - Visiting Hours

tom:

I wish that heaven
 Had visiting hours
 So I just could show up
 And bring good news
 That she's getting older
 And I wish that you'd met her
 The things that she'll learn from me
 I got them all from you

Can I just stay a while
 And we'll put all the world to rights?
 The little ones will grow
 And I'll still drink your favourite wine
 And soon, they're going to close
 But I'll see you another day
 So much has changed since you've been away

(G Cadd9 G)

Well, I wish that heaven
 Had visiting hours
 So I could just swing by
 And ask your advice
 What would you do in my situation?
 I haven't a clue how I'd even raise them
 What would you do?
 'Cause you always knew what's right

Can we just talk a while
 Until my worries disappear?
 I'd tell you that I'm scared
 Of turning out a failure
 He'd say: Remember that the answer's
 In the love that we create
 So much has changed since you've been away

(G Em Cadd9 G D)
 (G Em Cadd9 G D)
 (G Cadd9 G)

I wish that heaven
 Had visiting hours
 And I would ask them
 If I could take you home
 But I know what they'd say
 That it's for the best
 So I would live life the way you told me
 And make it on my own

And I will close the door
 But I will open up my heart
 And everyone I love will know
 Exactly who you are
 'Cause this is not goodbye
 It is just till we meet again
 So much has changed since you've been away
