

# Ed Sheeran - Welcome To The World

tom:

C  
[Primeira Parte]

C  
Welcome to the world  
I heard your heart beat and lost every word  
Just stood there quietly taking in the sound  
Of our love  
C  
This is gonna hurt  
But I'll stand beside you, for better or for worse  
And I will find you whenever you're lost  
I'll be right here

[Refrão]

F C G  
And ooh, I know that everything's changing  
F C G  
Ooh, and I don't wanna miss a thing  
F C G F  
Ooh, I know that life won't ever be the same  
Am G C  
And this love won't ever go away

[Segunda Parte]

C  
Welcome to the world  
Through all the pain, you're a diamond in the dirt  
Don't let them change you, words are only words  
G  
Just like I loved you

## Acordes

C  
And yes, you were the first  
Brought a new beginning, bright and unreserved  
G F  
A beautiful red flower in the earth  
G  
Will grow, and I know

[Refrão]

F C G  
Oh, I know that everything's changing  
F C G  
Oh, and I don't wanna miss a thing  
F C G F  
Oh, I know that life won't ever be the same  
Am G  
And this love won't ever go away

[Ponte]

F C G  
Welcome to the world  
F C G  
Welcome to the world  
Oh, welcome to the world (welcome to the world) C G  
F C G  
Welcome to the world (welcome to the world)

[Refrão]

F C G  
Ooh, I know that everything's changing  
F C G  
Ooh, and I don't wanna miss a thing  
F C G F  
Ooh, I know that life won't ever be the same  
Am G C  
And this love won't ever go away
