

Ed Sheeran - You Need Me, I Don't Need You

Tom: A

(com acordes na forma de Capostraste na 2ª casa G)

Dbm
 But now I'm in town, break it down
 Thinking of making a new sound
E
 Playing a different show every night
 In front of a new crowd
Gb
 That's you now, hello, ciao
 Seems that life is great now
A B
 See me lose focus, as I sing to you loud
Dbm E
 I can't, no, I won't hush

Gb
 I'll say the words that make you blush
A B
 I'm gonna sing this now
Dbm
 See, I'm true, my songs are where my heart is
E
 I'm like glue, I stick to other artists
Gb
 I'm not you, now that would be disastrous
A
 Let me sing and do my thing
B
 And move to greener pastures
Dbm
 See, I'm real, I do it all, it's all me
E
 I'm not fake, don't ever call me lazy
Gb
 I won't stay put
 Give me the chance to be free
A
 Suffolk sadly seems to sort of suffocate me
Dbm E
 You need me, man, I don't need you
Gb
 You need me, man, I don't need you
A
 You need me, man, I don't need you, said you need me..

Dbm
 Does he write his own tune?
 Does he write his own verse? hell
E
 Or need another wordsmith
 to make the tune sell?
Gb
 Call yourself a singer-writer
 You're just bluffing
A
 Your name's on the credits
B
 And you didn't write nothing
Dbm
 I sing fast
 I know that all my shit's cool
E
 I will blast
 And I didn't go to Brit School
Gb
 I came fast with the way I act, right
A B
 I can't last, if I'm smoking on a crack pipe
Dbm
 I won't be a product of my genre
E
 My mind will always be stronger than my songs are
Gb
 Never believe the bullshit that fake guys feed to ya
A B
 Always read the stories that you hear in Wikipedia
Dbm
 And musically I'm demonstrating
E
 When I perform live, feels like I am meditating
Gb
 Times at The Enterprise when some fella filmed me
A B
 A young singer-writer like Gabriella Cilmi

Dbm E
 You need me, man, I don't need you
Gb
 You need me, man, I don't need you
A
 You need me, man, I don't need you, said you need me..I don't need you..
