

Eddie Cochran - Half Loved

tom:
 Intro: Eb Cm Ab Bb

Well the party is through, we said our good-byes
 We had a good time, yet there's tears in my eyes
 Oh, what can it be, what's the matter with me
 You left me half loved
 We stood in the dark and you held my hand
 Why were you afraid, I can't understand
 I wanted your kiss, but it's always like this
 You left me half loved
 Well you hold me close, everytime we danced

Am I a fool, to think that I had a chance
 To hope, you see, I'm your big romance
 Baby that's why I'm in the dark Oh-oh-oh-oh
 My friends have all said, to love you is wrong
 They say you're too young, but I'll string along
 Someday you'll wake up and then I'll make up
 For bein' half loved

My friends have all said, to love you is wrong
 They say you're too young, but I'll string along
 Someday you'll make up and then I'll make up
 For bein' me half loved
