

Eddie Cochran - Twenty Flight Rock

Tom: A

E7 = E - X79XXX

Riff and power chords tabbed by Halfdan Baadsvik.
Intro: A

I've got a girl with a record machine
When it comes to rockin, she's a queen
We love to dance on a Saturday night
All alone where I can hold her tight
But she lives on 20th floor uptown
And the elevator has broken down

She called me up on the telephone
Said: "Come over, baby. I'm all alone."
I said: "Sorry, baby. You're mighty sweet,
but I'm in bed achin' feet."
This went for a couple of days
But I could not stay away

During the verses the riff goes like this:

So I walk one, two flight, three flight, four
Five, six, seven flight, eight flight more
At 12th I'm startin' to sag
15th floor I'm ready to drag
Get to te top, I'm too tired to rock

They sent it to Chicago for repairs
'Til it's fixed I'm usin' the stairs
I have to get there before it's to late
My baby couldn't bear much to wait
All this climbin' is gettein' me down
You'll find my corps draped over a rail

So I walk one, two flight, three flight, four
Five, six, seven flight, eight flight more
At 12th I'm startin' to sag
15th floor I'm ready to drag
Get to the top, I'm too tired to rock

But I fly one, two flight, three flight four
Five, six, seven flight, eight flight more
At 12th I'm startin' to sag
15th floor I'm ready to drag
Get to the top, I'm too tired to rock

The chorus (above) is played with these power chords:

And that's it.
Comments welcome.
