

Eden - Catch Me If You Can

Tom: C

Verso 1:

Of course I'm scared
 Would I be thinking straight if I wasn't
 Of course I'm scared sometimes
 Even if I say it don't phase me
 Or if I say I'm not hazy
 But drowning ain't so bad
 Cos at least you know where you're going
 And were all future bound
 So I guess that's really the same thing

Refrão:

But I always liked the thought of maybe being a runaway
 I could be your lover and you could be my heart ache
 I could sing the songs that we used to sing when we were kids
 Maybe that could bring us back to before we got stuck in this

Verso 2:

I want to be like John Dillinger
 Just try and catch me if you can
 And we could drive off in the sunset
 Even if its not the plan
 Cos plans are over rated
 Cos you never really know where you're going
 And the past is always changing
 Ain't been gold since I remembered it that way

Refrão:

But I always liked the thought of maybe being a runaway
 I could be your lover and you could be my heartache
 And I could sing the songs that we used to sing way back when
 The future wasn't everything and we lived because we loved it then
 Oh I'm going back
 Catch me if you can
