

## **Eden - End Credits**

Tom: G	Let's get away from here and Cm
C	Live like the movies do
Cm Cigarette ash like wildfire Ab	Eb I won't mind when it's over At least I didn't think for a while
Burning holes in the nighttime  Ab	Cm
Open scars cut like barbed wire White lies flying high like a ceasefire	So let's run Make a great escape
cm Dropping flags on the shoreline Ab	And I'll be waiting outside for the getaway  Ab
This is as far as I can feel right  Ab	It doesn't matter who we are Ab
'Cos what you don't know Can haunt you	We'll keep running through the dark
	And all we'll ever need is another day
Cm And all we ever wanted	We can slow down 'cos tomorrow is a mile away
Eb Was sunlight and honesty Ab	Ab And live like shooting stars Ab
Highlights to want to repeat Let's get away from here and	'Cos everything was never the same Cm
Cm	And I want to let you know
Live like the movies do  Eb Ab	Cm I want to let you go
I won't mind when it's over At least I didn't think for a while	Eb Ab But I just can't bring myself to speak
Cm	Cm But this is how it goes
So let's run Make a great escape	The end credits they roll
And I'll be waiting outside for the getaway  Ab	Eb Ab This bridge was built over kerosene But we can watch it
It doesn't matter who we are Ab	Cm
We'll keep running through the dark	And all I ever wanted  Eb
And all we'll ever need is another day  Eb	Was sunlight and honesty Ab Ab
We can slow down 'cos tomorrow is a mile away Ab	Highlights to want to repeat Let's get away from here and
And live like shooting stars Ab	Cm Live like the movies do
'Cos happy endings are just a phase	Eb I won't mind when it's over
<mark>Cm</mark> Sunsets on power lines	At least I didn't think
Ab Making a break for the other side	Cm So let's run
Ab	Make a great escape
Heading out to where that sunshine 45 millimeter rolling like we lost time	Eb And I'll be waiting outside for the getaway
Cm Polaroids and outcast	Ab It doesn't matter who we are
Rather burn out young than grow up fast	We'll keep running through the dark
Ab And we could be forever future-bound 'Cos all I need is time and now and I could leave this past	Cm And all we'll ever need is another day Eb
behind me	We can slow down 'cos tomorrow is a mile away
Cm And all we ever wanted	And live like shooting stars
And all we ever wanted  Eb  Was sunlight and honesty	'Cos you can wish away forever but you'll never find a thing like
Was sunlight and honesty Ab	Cm
Highlights to want to repeat	Today
