Tom: D

m <sup>Dm</sup>  
 I can't find you  
<sup>F</sup>  
 But can't fault you, 'cause i <sup>Am</sup>  
 Can get so caught up in my own head <sup>G</sup>  
<sup>Bb</sup>  
 You just float through, i can't catch you <sup>Am</sup>  
<sup>F</sup>  
 And i can understand but can't face the feeling  
<sup>Fm</sup> <sup>Am</sup>  
 That i'm just another end  
<sup>Dm</sup>  
 So when you coming home?  
<sup>C</sup> <sup>G</sup>  
 I could be what you need girl  
<sup>F</sup>  
 If you want me to  
<sup>Fm</sup>  
 You know what they say girl  
 That love gon' come back to you  
 ( C Em Am G F Fm )  
<sup>C</sup>  
 But i can float too and i don't ask for much from you  
<sup>E</sup>  
 And maybe that's too much too soon  
<sup>Am</sup>  
 So i keep rolling throught the blackouts  
<sup>G</sup>  
 No fires without some fallouts  
 Made peace out of the pieces  
<sup>Bb</sup>  
 Now i can't take it back now no  
 But i keep on track now  
<sup>Bbm</sup>  
 And yes that's all of it  
 I gave up my youth for this  
<sup>F</sup>  
 'cause i wanted it, and  
<sup>Fm</sup> <sup>A</sup>  
 If you think that i need you then you're out of your head

<sup>D</sup> <sup>Dm</sup> <sup>C</sup> <sup>Cm</sup> <sup>Em</sup>  
 But i want you to  
<sup>Dm</sup>  
 So bring me down and turn me out  
<sup>F</sup>  
 I'll be waiting here when you're ready  
<sup>Fm</sup>  
 And i'll lay me down unfinished now  
<sup>G</sup>  
 It hurts  
<sup>Dm</sup>  
 So when you coming home?  
<sup>C</sup> <sup>G</sup>  
 I could be what you need girl  
<sup>F</sup>  
 If you want me to  
<sup>Fm</sup>  
 You know what they say bruh  
 That love gon' come back to  
<sup>Dm</sup>  
 You, come back to you  
<sup>Em</sup> <sup>Fm</sup>  
 Gon', come back to you  
 Come back to you  
<sup>Cm</sup> <sup>Em</sup> <sup>Am</sup> <sup>Gm</sup> <sup>Fm</sup>  
 Come back  
<sup>Gm</sup> <sup>Cm</sup>  
 so bring me down  
 And drown me out  
<sup>Gm</sup>  
 I'll be waiting here when you're ready  
<sup>Fm</sup>  
 And i'll lay me down unfinished  
<sup>Dm</sup>  
 So when you're coming home?  
<sup>C</sup>  
 I could be what you need girl  
<sup>G</sup>  
 If you want me to  
<sup>F</sup>  
 You know what they say girl  
<sup>Fm</sup>  
 That love gon' come back to you
