

# Eden - Fumes

Tom: G  
Intro: Em D C Am

G Am  
The morning the light shines a lifeline  
C D Em  
Escape is what I need  
G Am  
I should've listened last night, girl  
C D Em  
This is beyond belief  
Bm C Em D  
We keep falling for the lure of liquid confidence and lies  
Bm C  
And we skydive from walls we build  
Em D  
Diving just to feel alive  
  
On the way down screaming  
  
Em C  
Wooah oooh oooh  
G D  
If all we have is time then we'll be alright  
Em C G D  
It's not much but it's better than nothing  
Em C G D  
We're running on fumes but we'll make it through the night  
Em C G D Em  
It's not love but it's better than dreaming  
  
G  
Oh I'm on fire  
D Em  
There's a burning in my bones and in my eyes

C Em D Bm G  
These dreams are taking hold and I need time, time

Drop

G Bm Em D C  
G Bm Em D C  
Em D C

(Boy, you are in a hurry  
If you were lookin' at what I'm lookin' at, and you'd be in a hurry too)

Em C  
Wooah oooh oooh  
G D  
If all we have is time then we'll be alright  
Em C G D  
It's not much but it's better than nothing  
Em C G D  
We're running on fumes but we'll make it through the night  
Em C G D Em  
It's not love but it's better than dreaming  
  
Em C  
Wooah oooh oooh  
G D  
If all we have is time then we'll be alright  
Em C G D  
It's not much but it's better than nothing  
Em C G D  
We're running on fumes but we'll make it through the night  
Em C G D Em  
It's not love but it's better than dreaming
