

# Eden - Icarus

Tom: Bb

So this is how I die now  
 Hands to the air  
 No, they can't stop the sky falling down, down  
 Guess I thought that I'd feel good somehow  
 All you know is up is high  
 And I am feeling like you ain't going down, down  
 Disappearing through the silence  
 Screams fade and blur  
 Conversated with the smile, though  
 Life invisible  
 Guess I thought that I'd feel better now somehow  
 Any hour now

Icarus  
 No, I can't escape this fall  
 Falling in reverse  
 Falling in reverse

So how you gonna scream my name?

And I gave all I got  
 I've nothing left to give you  
 I'm so burnt out and lost

Why's it all just feel the same?

And I got all I want  
 I had you where I wanted

I guess I don't know  
 How to live with a good thing

And not break it into nothing  
 Self destruction feels so close

So tell me how you want me here now

Keep crying on the phone

Yeah, that's all I seem to hear now

Keep lying through your teeth

Lie to me, lie with me now  
 (I'm halfway there, but it's like,

"Shit, I haven't really been doing anything for the last year."

And I've been saying I've been doing a shit ton but like, in terms of...  
 I don't know.)

So tell me how you really feel now  
 Ain't been asked that in a while

Yet you still won't get them hear you out

Just keep at it, bro, these things always seem to fix themselves somehow

Suck it up, some would kill just to stand

Where you're standing now

So how you gonna scream my name?

When I gave all I got

I've nothing left to give you

And I'm so burnt out and lost

'Cause fuck it, it all feels the same

And I got all I want

I thought that I'd feel something

I guess I'll never know

How to live with a good thing

Fuck my life up for nothing, nothing  
 N.C.

'Cause you don't care if I'm still bleeding

You just scream until you hear my name

Eb Gm

So this is how I die now

Hands to the air

No, they can't stop the sky falling down, down

Guess I thought that I'd feel good somehow

Disappearing through the silence

Screams fade and blur

Conversated with the smile, though

Life invisible

Guess I thought that I'd feel better now somehow  
 Any hour now
