		[Ponte]	
	tom:	Oh, oh	Talk it out
G			
[Primeira Parte]			
A heavy inhale for nights you stole	oh oh	Cut me off	
		Chalk it down	
Fucked up, the balance in my head but it's all good		To my head, ba-balacning my head	
		Slow it down	
I'll see you again another (dream)		Rise and fall	
oh oh			
[Refrão]		Chalk it down	
But I miss the way the sun streamed through my window		To my head down, down	
And I miss the way you almost held the tide			
		[Refrão 2]	
But still it's nice, dreaming that you're somewhere		And I miss the way the sun streamed through my window	
		And I miss the way you almost held the tide (down, down, down)	
Feeling the same heat that I did		But still it's nice dreaming of you somewhere	
	Walk the line	Feeling the same heat that I did	
		No fear no fall (I know, I know, I know)	
[Segunda Parte]		If invisible lines lead your way back to me	
I said I'd walk you home but we still went out own way		Still I got nothing, woah	
The tears lost in rain on your cheekbones in silence		[Final]	
		les	Comme
And I pulled my head out the darkness in your house			
		Nuits quand je ne savais pas enore	
Can't stay 'til the morning, refracted my way out		Comme les nuits qui m'ont appris à aimer les adieux	
From nightmares in my car, as I lay beside you			
And fucked up my timeline and twisted your end with			
So much still to go, as the sun sets behind you			
I can't let it go, you can't hold me, I can't always oh		Mais cela n'a pas d'importance car les nuits	

Bruyantes/brillantes Bruyantes/brillantes

Sont toutes pareilles à la fin
