

Eden - Love; Not Wrong (Brave)

Tom: D

And I know I've been closing myself off, unsure
 I know I've been real hard to reach, harder to love
 And I know it's tiring, this shit is getting old

[Pre-Chorus]

But please, just hold on to me
 I've slayed these demons, they're old to me
 Recurring dreams, this is happening
 Tearing my seams; lucid reality

...love! Before it disappears.

And I just want you to feel love (love!)
 Before it disappears (not!)

'Cause we are more than we're not (wrong!)

So never fear to feel (brave!)

Good when everything's lost (love!)

You'll find some beauty there (not!)

'Cause all we ever are is brave (brave!)

And your world's not ending, ooh

So I won't go, I'm still living in the middle of a one-way war

I can't fight it but I'm trying to be what you want, yeah

You can't sing but you're singing this anyway

And anyway, so please just hold on to me

This is no end, we're not finished here

Finding our way, we're just changing

Becoming more than I think of me, yeah

These fears in my head, dreams in my bed

They won't get the best of me

'Cause I chase dreams 'till the end, these nightmares all bend

Silver linings are all I need

So, please, just hold on to me

I've slayed these demons, they're old to me

Recurring dreams, this is happening

Tearing my seams from reality

...love! Before it disappears.
