

Eden - Sex

Tom: A

And I said

A

What's up what have you been thinking cos you been staring at that roof so long

I'd swear its come alive and she spoke

D

nine words and now we're sinking but I can't find it in myself to want to

D

E

lie to keep this thing from going

Gbm E

Eb

D

down cos that girl took my heart and I aint want it back no

Eb

D

I'm laying down my cards

cos you said you meant it

D

nothing and I should've kept my silence but I guess

Gbm

E

I'm too attached to my own pride to let you know

D

that all these words meant nothing and I've always been this heartless

Gbm

and we were just having sex

E

no I would never call it love but love

Db D

oh no I think I'm catching feelings

Gbm E

and I don't know if this is empathy I feel just

Db D

E Gbm A B

hold on remember why you said this was the last time

Db D E Gbm

woah

so I guess it's woah

let die to let it live

A

and what's good when both choices I've got have us staring down the barrel to the bullets I can't stop

D

stand off like indecision Kevlar till this fear of feeling stops and I'm done but you

No I don't know how to forget you (x4)

Gbm

E

no I don't know how to forget you

Eb

D

no I don't know how to forget you (x4)

Gbm

E Eb

D

cos that girl took my heart and I aint want it

Gbm

E

Eb

D

back no a bulletproof restart

Db D

oh no I think I'm catching feelings and

Gbm

E

I don't know if this is empathy I feel just

Db D

E

Gbm A B

hold on remember why you said this was the last time

Db D E Gbm

woah

so I guess it's woah

let die to let live

A

no I don't know how to forget you (x2)

D

no I don't know how to forget you (x2)
