

Eden - Sex

Tom: A

And I said

A
What's up what have you been thinking cos you been staring at that roof so long

I'd swear its come alive and she spoke

D
nine words and now we're sinking but I can't find it in myself to want to

D **E**
lie to keep this thing from going

Gbm E **Eb** **D** **Gbm**
E
down cos that girl took my heart and I aint want it back no

Eb **D**
I'm laying down my cards

cos you said you meant it

D
nothing and I should've kept my silence but I guess

Gbm **E**
I'm too attached to my own pride to let you know

D
that all these words meant nothing and I've always been this heartless

Gbm
and we were just having sex

E
no I would never call it love but love

Db D
oh no I think I'm catching feelings

Gbm E
and I don't know if this is empathy I feel just

Db D **E** **Gbm A B**
hold on remember why you said this was the last time

Db D E Gbm

woah

so I guess it's woah

let die to let it live

A
and what's good when both choices I've got have us staring down the barrel to the bullets I can't stop

D
stand off like indecision Kevlar till this fear of feeling stops and I'm done but you

No I don't know how to forget you (x4)

Gbm **E**
no I don't know how to forget you

Eb **D**
no I don't know how to forget you (x4)

Gbm **E Eb** **D**
cos that girl took my heart and I aint want it

Gbm **E** **Eb** **D**
back no a bulletproof restart

Db D
oh no I think I'm catching feelings and

Gbm **E**
I don't know if this is empathy I feel just

Db D **E** **Gbm A B**
hold on remember why you said this was the last time

Db D E Gbm

woah

so I guess it's woah

let die to let live

A
no I don't know how to forget you (x2)

D
no I don't know how to forget you (x2)
