Eden - Sex

Tom: A

A
What's up what have you been thinking cos you been staring at
that roof so long

I'd swear its come alive and she spoke

D
nine words and now we're sinking but I can't find it in myself
to want to

D E
lie to keep this thing from going

Gbm E Eb D Gbm
E
down cos that girl took my heart and I aint want it
back no

Eb D
I'm laying down my cards

cos you said you meant it

D
nothing and I should've kept my silence but I guess

Gbm E
I'm too attached to my own pride to let you know

D
that all these words meant nothing and I've always been this
heartless

Gbm
and we were just having sex

E
no I would never call it love but love

Db D
oh no I think I'm catching feelings

Gbm E
and I don't know if this is empathy I feel just

Db D E Gbm A B
hold on remember why you said this was the last time

Db D E Gbm

woah

so I guess it's woah

let die to let it live

A
and what's good when both choices I've got
have us staring down the barrel to the bullets I can't stop

D
stand off like indecision Kevlar till this fear of
feeling stops and I'm done but you

No I don't know how to forget you (x4)

Gbm E
no I don't know how to forget you

Eb D
no I don't know how to forget you (x4)

Gbm E Eb D
cos that girl took my heart and I aint want it

Gbm E Eb D
back no a bulletproof restart
Db D
oh no I think I'm catching feelings and

Gbm E
I don't know if this is empathy I feel just

Db D E Gbm A B
hold on remember why you said this was the last time

Db D E Gbm

woah

so I guess it's woah

let die to let live

A
no I don't know how to forget you (x2)

D
no I don't know how to forget you (x2)
