

Eden - Sex

Tom: A

A
 What's up what have you been thinking cos you been staring at that roof so long

I'd swear its come alive and she spoke

D
 nine words and now we're sinking but I can't find it in myself to want to

D E
 lie to keep this thing from going

Gbm E Eb D
 down cos that girl took my heart and I aint want it back no

Eb D
 I'm laying down my cards

cos you said you meant it

D
 nothing and I should've kept my silence but I guess

Gbm E
 I'm too attached to my own pride to let you know

D
 that all these words meant nothing and I've always been this heartless

Gbm
 and we were just having sex

E
 no I would never call it love but love

Db D
 oh no I think I'm catching feelings

Gbm E
 and I don't know if this is empathy I feel just

Db D E Gbm A B
 hold on remember why you said this was the last time

Db D E Gbm
 woah

so I guess it's woah

let die to let it live

A
 and what's good when both choices I've got have us staring down the barrel to the bullets I can't stop

D
 stand off like indecision Kevlar till this fear of feeling stops and I'm done but you

Gbm
 No I don't know how to forget you (x4)

Gbm E
 no I don't know how to forget you

Eb D
 no I don't know how to forget you (x4)

Gbm E Eb D
 cos that girl took my heart and I aint want it

Gbm E Eb D
 back no a bulletproof restart

Db D
 oh no I think I'm catching feelings and

Gbm E
 I don't know if this is empathy I feel just

Db D E Gbm A B
 hold on remember why you said this was the last time

Db D E Gbm
 woah

so I guess it's woah

let die to let live

A
 no I don't know how to forget you (x2)

D
 no I don't know how to forget you (x2)
