[Verse]

Dm Am C
Yeah, she's in love with the concept
G
As if we're all just how she imagined
Dm Am C
Cause we're in love but just don't know it yet
G F
Well, tell me how I'm supposed to see the magic
Am G F
Cause I don't believe in it no more
Am G
But I won't tell her,
F
Cause I always imagined
Am G F
It's easier if she thinks she won
Am G
So Imma let her

Dm
And she said I don't think
Am
I love you no more
G F
You never seem to call me lately
Dm Am
Girl I don't think you know me at all
G F
Cause I never thought I'd have to say this
Dm Am
No, I don't love you, and I never did
G F
Look at us burning down in flames for kicks
Dm F
But just know, I'm not singing for your XO
G
I'm just singing cause it's over

Dm Am C G
(Uh, Yeah)

Dm Am
Came and went like the summertime
C G
Was that a sunset or sunrise
Dm Am C
Looking back like where'd the time go
G F
So much for trying to keep this moving slow

Am G F
Cause I don't believe in her no more
Am G
But I remember,
Dm Am G
How we talked shit like we knew what we wanted
F Am G
And I still remember what she said

Dm
I don't think
Am
I love you no more
G F
You never seem to call me lately
Dm Am
Girl I don't think you know me at all
G F
Cause I never thought I'd have to say this
Dm Am
But I'm no liar, and I never hid
G F
Anything, you should have seen it coming to this
Dm F
But just know, I'm not singing for an ex though
G
I'm just singing cause it's over

Dm Am C G
Yeah, Yeah
