

# Ederaldo Gentil - O Ouro e a Madeira

Tom: G

Não queria ser o mar <sup>Em B7</sup>  
 Me bastava a fonte <sup>Em</sup>  
 Muito menos ser a rosa <sup>E7</sup>  
 Simplesmente o espinho <sup>Am</sup>  
 Não queria ser caminho <sup>Gbm</sup>  
 Porém o atalho <sup>B7 Em</sup>  
 Muito menos ser a chuva <sup>C</sup>  
 Apenas o orvalho <sup>B7 Em</sup>  
 Não queria ser o dia <sup>Am</sup>

Só a alvorada <sup>D7</sup>  
 Muito menos ser o campo <sup>G</sup>  
 Me bastava o grão <sup>B7</sup>  
 Não queria ser a vida <sup>Em</sup>  
 Porém o momento <sup>C</sup>  
 Muito menos ser concerto <sup>B7</sup>  
 Apenas a canção <sup>E7 Am Gbm</sup>  
 O Ouro afunda no mar <sup>B7 Em Em</sup>  
 Madeira fica por cima <sup>Gb7 Gbm</sup>  
 Ostra nasce do lodo <sup>B7 Em</sup>  
 Gerando pérolas finas
