

# Edinézia Moraes - Deus Me Fez

tom:

C

God made me and everything that in this world I see  
 For His own glory God made everything and me!

Deus me fez e tudo o que no mundo posso ver  
 Pra sua glória Ele me fez e fez você!

Fez os mares, as montanhas, o arco-íris lá no céu  
 Pra sua glória, Ele me fez e fez você!

Deus fez a luz do sol; e as estrelas a piscar!

Fez a borboleta bela meu jardim a enfeitar!

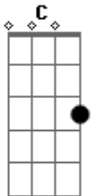

Deus me fez e tudo o que no mundo posso ver  
 Pra sua glória Ele me fez e fez você!

O porco-espinho fez, e o peixe no oceano azul  
 Fez o urso e o leão, e o pula-pula canguru!

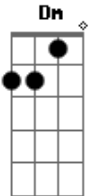

God made me and everything that in this world I see  
 For His own glory God made everything and me!

Deus me fez e tudo o que no mundo posso ver  
 Pra sua glória Ele me fez e fez você!
