

# Ednaswap - Torn

tom:

Intro: Dbm B A E

I thought I saw a man brought to life

He was warm - he came around like

He was dignified

He showed me what it was to cry

Well you couldn't be that man I adored

You don't seem to know - don't seem to care

What your heart is for

No I don't know him anymore

[Pré-Refrão]

There's nothin' where we used to lie

My conversation has run dry

That's what's going on

Nothing's fine I'm torn

[Refrão]

I'm all out of faith

This is how I feel

I'm cold and I am chained

Lying naked on the floor

Illusion never changed

Into something real

I'm wide awake and I can

See the perfect sky is torn

You're a little late

I'm already torn

[Segunda Parte]

## Acordes

So, I guess the fortune teller's right

I should have seen just what

Was there and not some holy light

But you crawled beneath my veins and now

[Pré-Refrão]

I don't care, I have no luck

I don't miss it all that much

There are just so many things

That I can't touch, I'm torn

[Refrão]

I'm all out of faith

This is how I feel

I'm cold and I am chained

Lying naked on the floor

Illusion never changed

Into something real

I'm wide awake and I can

See the perfect sky is torn

I'm all out of faith

This is how I feel

I'm cold and I am ashamed

Bound and broken on the floor

You're a little late

I'm already torn
