[Parte 6 De 8]
                                                                [Primeira Parte]
                                                               Roars in the night
[Parte 7 De 8]
                                                                What would it be
                                                                I remember four lions
[Parte 8 De 8]
                                                                Ghm
                                                                Into my mind
                                                                                      Gbm Abm A
                                                                Shadows revealing the awful plan
[Tab - Primeira Parte]
                                                                [Pré-Refrão]
[Parte 1 De 8]
                                                                         Gbm A E
                                                                Ruins of walls of gold
                                                                          Е
[Parte 2 De 8]
                                                                All you believe is dead
                                                                Faithless and lies
[Parte 3 De 8]
                                                                Cowards and witches on board
                                                                [Refrão]
[Parte 4 De 8]
                                                                             D
                                                                You won't mistreat me once again
                                                                Leave me alone and free my heart
[Parte 5 De 8]
                                                                You all will bleed and drown in blame
                                                                                           Ghm
                                                                         F
                                                               Winds of war I scream out loud
[Parte 6 De 8]
                                                                You've all betrayed me and thrown away
                                                                                          Gbm E Gbm E
                                                               Trust and love we built along
[Parte 7 De 8]
                                                                [Segunda Parte]
                                                                Gbm
[Parte 8 De 8]
                                                                Lost in the dark
                                                                I found the key
[Tab - Pré-Refrão]
                                                                No more time to rely on
[Parte 1 De 8]
                                                                Bounderies and chains
                                                                For all that I am
                                                                        Gbm Abm A
