

Edu Quintana - Cara Metade

tom:

C

[intro] D G G

G D
G G

C7 Bb C7 Bb

E vinda do interior de são paulo

Com jeito simples, mas que detesta salto alto

De coração sempre aberto

Seu sorriso encanta com carinho e amizade

Quero você!

C7 Bb C7 Bb Dbm7 D7
As plantas crescem ao toque da sua mão cheia de amor

Os animais fazem festa a seu favor

Sua presença é só alegria e calor

Sedução bem discreta.

Seu improviso levanta, devagarinho, que vontade

Quero você!

G Bb B Am7
Ae, ae, minha morena clara de fala suave

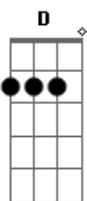

Olhar perfeito. de quem quer amar

Vou abraçar e te beijar

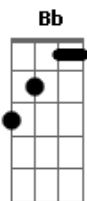

Quero você!

(G G Bb G G G Bb)
