

## Eduardo Aragão - I Wanted To Love

```
Tom: G
On a cold night
I found you
I don?t know
What got into me
But I fell in
Love with you
I only know that you
Were the most beautiful
In your smile
You can not deny it
You?re the one
I have to love
I do not know what
You gave me
I wanted to
Love you
[Refrão]
I wanted to
Love you
I don?t know if
It was the smile
I wanted to
Love you
I don?t know if
It was your look
Acordes
