

Eduardo Barreto - A Voz e a Canção

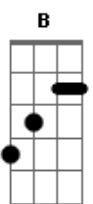

tom: E

Canta, acende o silêncio, perfuma o momento à luz da emoção
 Canta, mergulha no templo de tudo que há dentro do teu coração
 Tua voz pode ser o único livro
 Que alguém pode ler e servir de abrigo
 Para quem não tem mais o que esperar

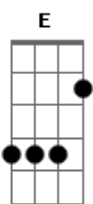

Um novo sol a brilhar

Canta e espalha no vento sublimes promessas de libertação
 Canta que a gente precisa beber dessa água, comer desse pão
 E a canção guiará a quantos vierem
 Quem precisa encontrar a luz do caminho
 E pra quem não tem mais com quem contar
 Existe a voz que se levanta e canta, canta mais
 Tua voz pode ser
 (É tua a voz que se levanta e canta tanto em nós)
