

# Eduardo Gudín - A Velhice da Porta Bandeira

tom:

Bm

E...la renunciou

A Mangureira saiu, ela ficou

Era porta-bandeira

Desde a primeira vez

Por que terá sido isso que ela fez?

Não, ninguém saberá

Ela se demitiu, outra virá

Ninguém a viu chorando

Coisa tão singular

Quando a bandeira tremeu no ar

( Bm Bm Bm )

Quando toda avenida sambou

O seu mundo desmoronou

( Bm Bm Bm )

Quando toda avenida sambou

O seu mundo desmoronou

E...la se emocionou

Perto dela ela ouviu, alguém gritou

"Viva a porta-bandeira"

"Sou eu", ela pensou

Mas foi a outra quem se curvou

( Bm Bm Bm )

Quando toda avenida sambou

O seu mundo desmoronou

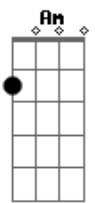

( Bm Bm Bm )

Quando a porta-bandeira passou

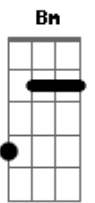

Quem viu

Ela se levantou e aplaudiu
