

Eduardo Gudim - Praça 14 Bis

tom: A

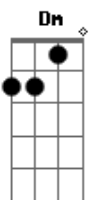

Um samba muito bom
 Que me contagiou
 Me ganhou
 Bixiga amanheceu
 Vai-vai já ensaiou
 Clareou
 Foi quando o farol fechou
 Da praça
 O samba me chamou

Se o samba vem do rio
 E da Bahia
 O samba também vem
 São Paulo sempre tem
 Bixiga é o samba do lugar
 Só que vem aqui dirá
 Igual a mim
 São Paulo é bom de amar
 E assim o samba vem
 Paulistamente eu vou cantar
