

Eduardo Martinez - Poema de Amor e Rimas

tom: Am

Dois guabijus caborteiros
 Serena manhas no rosto
 Um sorriso bem a gosto
 Convidando para ficar
 Léguas de sonho a brotar
 Aquecendo um frio de Agosto

Na tez charrua por certo
 Desfilam ?miles? convites
 O próprio olhar é um palpíte
 Pra o desafio do amor
 Sem rimas para um ?payador?
 No poema que em ti existe

Miro os ponteiros a frente
 Recolho as horas de ir

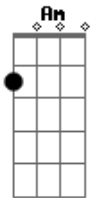

Sem conseguir resistir
 A vontade busca um jeito
 Enrodilhar-me em teu peito
 Mas que pena já vou partir

Nem bem me afasto de ti
 Nem mesmo sai de perto
 Sinto-me meio deserto
 Faltando-me outra metade
 Sinto que algo me invade
 Que só ficando conserto

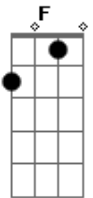

Dois guabijus caborteiros
 Convidando pra ficar
 Convidando pra ficar
 Dois guabijus caborteiros

[Final] F Am
