Intro: Bm D A G  
 Bm D A G  
 Bm D A G  
 Bm D A G

[Primeira Parte]

In the pain, in the fear, you were with me  
 In the fire, in the ice, you were by my side  
 Now, I can live my life in happiness  
 You keep me calm with your kiss

[Pré-Refrão]

I remember you from those nights  
 Now when I open my eyes, you're there by my side  
 I'm in love with you, tell me why  
 You will never say goodbye!

[Refrão]

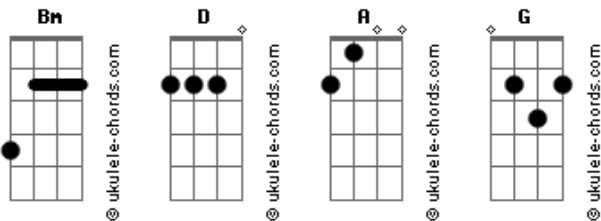

You are the girl from my dreams  
 I'm so sure, you are!  
 That girl who stayed with me  
 You always had my heart

( Bm D A G )

[Segunda Parte]

You are my light when the darkness comes  
 You quieted my mind, my head  
 In this reality, you calmed me

## Acordes

Even in my dreams, you were here
