

Edward Sharpe And The Magnetic Zeros - Better Days

tom:

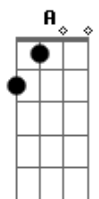

A
[Primeira Parte]

A
I've seen better days, dripping down your face
Bm
We don't have to talk, let's dance
E
For all the times you felt alone
Bm
Dreaming better, I see better
A
Better Days
A
Too dumb to say goodbye that's some cliché shit
Bm
Make me wanna cry
E
Just know that every time I look in your eye, I see better, I see better
A
Better days

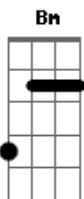

[Refrão]

D A E
Try to remember, that you can't forget
D A E
Down with history, up with your head
D A E
For sweet tomorrow, she never fell from grace

D A E
We might still know sorrow but we got better days
[Segunda Parte]

A
I seen better ways, some won't believe
Bm
But I don't need much more than faith
E
For all the times you felt alone
Bm A
Dreaming better, dreaming better, better ways
A Bm
Too dumb to say goodbye, now that's some give up shit, make me wanna cry
E Bm
Just know that every time I look in your eye, I see better, I see better
A
Better days

[Refrão]

D A E
Try to remember, that you can't forget
D A E
Down with history, up with your head
D A E
For sweet tomorrow, she never fell from grace
D A E
We might still know sorrow but we got better days
