

# Eels - Dirty Girl

Tom: C

I like a girl with a dirty mouth  
 someone that i can believe  
 we had a window not open too long  
 but that time is good and gone

and if I ever see her again  
 just walking by with some new guy  
 I know that we will need to pretend  
 and hope our eyes keep telling lies

Sit on the back porch and wonder 'bout her  
 What is she doing right now  
 Making somebody a happier man  
 Dying her hair back to brown

Once in a while your life gets so good  
 Worth all the trouble of the past  
 That was the case but i think i always knew  
 Good things don't ever last

And if i ever see her again  
 Just walking by with some new guy  
 I know that we will need to pretend  
 And hope our eyes keep telling lies

I like a girl with a dirty mouth  
 Know that i can trust her  
 We had our time but it didn't last too long  
 And that time is good and gone  
 That time is good and gone
