

Eels - Dirty Girl

Tom: C

I like a girl with a dirty mouth
 someone that i can believe
 we had a window not open too long
 but that time is good and gone

and if I ever see her again
 just walking by with some new guy
 I know that we will need to pretend
 and hope our eyes keep telling lies

Sit on the back porch and wonder 'bout her
 What is she doing right now
 Making somebody a happier man
 Dying her hair back to brown

Once in a while your life gets so good
 Worth all the trouble of the past
 That was the case but i think i always knew
 Good things don't ever last

And if i ever see her again
 Just walking by with some new guy
 I know that we will need to pretend
 And hope our eyes keep telling lies

I like a girl with a dirty mouth
 Know that i can trust her
 We had our time but it didn't last too long
 And that time is good and gone
 That time is good and gone
