

Eels - Medication Is Wearing Off

Tom: D

THE MEDICATION IS WEARING OFF

NOTE: this is a one-guitar version. if you want to play this song with two guitars the riff will be played like this : 1 guitar play the D and A while the other do the little solo.
Intro: Variations on those 3 notes ...then the same for

enter the lead notes :

D A

D A
see this watch she gave me, well it still ticks away

D A
the days im claiming back for me

RIFF1
tu lu tu tu tu tu tu tu lu

D A
the medication's wearing off gonna hurt not a little, a lot

D A
keep on ticking you're not lickin me

RIFF1
lu lu lu tu tu tu tu tu tu lu x2

OUTRO:

RIFF2

G2
step on a crack break your mothers heart

Gbm
red light green light, black

G2
suicide e-mail do not delete,

Gbm
plug it back in the jack

G2
start to be what they want you to be,
Gbm RIFF2
and i see yourself as they see you

G Gbm
D A

D A
sunrise on the corner of sunset and alverado

RIFF1
i think what the hell do i do now

D A
watch the day disintergrate

G2 (RIFF2)
so i can stay up late and wait

G2 Gbm x3
D A

D A
see this watch she gave me, well it still ticks away

RIFF1
tu lu tu tu tu tu tu lu tu lu

RIFF1
G2 Gbm x2

RIFF2 to fade...
