

Eels - Ordinary Man

tom:

Intro: C G Am G
F Em G

Well it's another warm day

In the city of cold hearts

They all just play the part

Of who they are

And I'm here on my own

I'd rather be alone

Than try to be someone that I'm not

And you see like someone

Who could appreciate the fact

That I'm no ordinary man

And it's misunderstood

What you've heard about me

I see why you would doubt me

But know this

No one has a right

Until they've fought my fight

To understand just where I'm coming from

And it's that fight that brought me here

Exactly as I am

No ordinary man

Well it's another warm day

In the city of cold hearts

It ends before it starts in their maze

But you, you're not like that

You know where it's at

The only rules you follow are your own

And you see like someone

Who could appreciate the fact

That I'm no ordinary man
