Acordes

For the second and louder part of the song, the guitar part uses the same chords but the 'b' string and sometimes the top 'e' string like this:

Chords:
 (A2) (C2) (G2) (Em2)

Same rhythm is also used.

(A2) (C2)

The garbage trucks are coming
 To take your shit to the dump

You're smelling pretty now

Such a pretty little lump

A pretty little lump of flesh

Who's lost your way

Another night another day

And when you sleep at night

Dreaming of the pretty things

Don't be too surprised

When the telephone rings

Woouooooo woouooo oooooooo oooooooooooooo

Woouooooo woouooo oooooooo oooooooooooooo

I'll be sitting here

Waiting for the other shoe to drop

I'll be sitting here

Waiting for the other shoe to drop

Outro:

(A2) End on (A2)
