

# Eels - Somebody Loves You

Tom: D  
Intro: D C Em A

D C Em A  
woke up with a bang and a bug on your face  
D C Em A  
it crawled in your mouth and gave you a  
C G Bm C  
taste of the good life you left behind  
Em A  
but I think you're gonna be fine

D C Em A  
somebody loves you and you're gonna make it through  
D C Em A  
somebody loves you and you're gonna make it through

( C G Em A )

D C Em A  
this nagging malaise is more than a phase  
D C Em A  
it feels like a job but no boss ever  
C G Bm C  
pays you to lay there and think how you'll die  
Em A  
while the tears start to well in your eyes

D C Em A  
somebody loves you and you're gonna make it through  
D C Em A  
somebody loves you and you're gonna make it through

C G Bm C C G Bm C Em A

D C Em A  
one more saturday all alone through the night  
D C Em A  
you've got to be sure when you turn out that  
C G Bm C  
light that it's going to turn on again  
Em A  
you've got to be your good friend

D C Em A  
somebody loves you and you're gonna make it through  
D C Em A  
somebody loves you and you're gonna make it through  
D C Em A  
somebody loves you and you're gonna make it through
