

El Baucha - Yo Me Enamoré de Noche

tom:

Intro: Gm D7 Gm G7

Yo me enamoré de noche

Y la Luna me engaño, si ayayay

Y la Luna me engaño, si ayayay

Otra vez que me enamore

Ha de ser con Luna y Sol, si ayayay

Yo me enamore de noche, si ayayay

Una noche de invierno

Salí a buscarte

Como no había Luna
No pude hallarte, si ayayay

Una noche de invierno
Salí a buscarte, si ayayay

No pude hallarte, si
La noche oscura

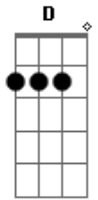

Me alumbraron los rayos

De tu hermosura, si ayayay

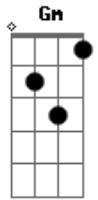

Voy a pasar la noche

Paseando en coche
