

Elba Ramalho - Do Jeito Que a Gente Gosta

Tom: A

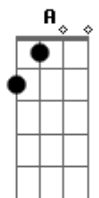

Intro: A E7 A E7

Cai, cai moreno
 No fuá que ainda é cedo
 Sanfoneiro, empurre o dedo
 Bote o fole pra chorar
 Nessa pisada, eu vou até cair de costa
 O forró tá animado
 Do jeito que a gente gosta
 Bumba a zabumba
 Zabumbeiro, oi! Bum... Bum... Bá

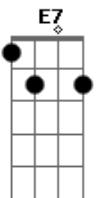

Castiga de lá sanfoneiro
 Que eu quero ver a paia da cana voar
 Vem amor que hoje eu sou
 Seu denço... Seu xodó, meu nego
 Repara... Que chamego, vamos chamegar!
