

# Elba Ramalho - Pra Ninar Meu Coração

Tom: Ab

(com acordes na forma de G )

Capostrate na 1ª casa

Intro: D G C D G  
D G C D G

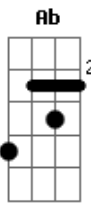

Tô esperando por você a qualquer hora, amor  
Pode bater na porta do meu coração  
Tirei a chave, eu arranquei a fechadura  
Pra ver você de encontro a minha solidão

Vem depressa que eu já tô contando as horas

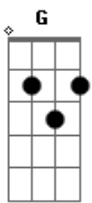

Tic tac no relógio da paixão  
Vem cantar ao meu ouvido aquela música  
Maravilhosa pra ninar meu coração

Vem, vem, vem matar a minha sede  
Vem, vem, vem cuidar do meu amor  
Vem, vem, vem armar a tua rede  
Que no meu peito tem um par de armador
