

# Elcio Dias - Folia

Tom: A

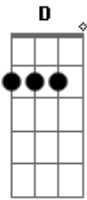

Se a sanfona chora eu canto  
 Canto de coração  
 Quando a folia passa  
 Puxando a multidão  
 Mão de pegar enxada  
 Dura como uma pedra  
 Quando pega na sanfona  
 É rosa amarela

Voz que com o gado berra  
 Já criou calo na goela  
 Quando vem cantar folia  
 Vai pintando uma aquarela  
 Quando vem cantar folia  
 Vai pintando uma aquarela  
 ||: Êh, minha folia  
 Minha estrela do oriente  
 Luz da estrada vem e guia  
 O destino dessa gente
