

Electric Guest - This Head I Hold

Tom: C

They call me, a little grown up
 See, I'm upset because I've always been stuck
 But I don't know what it is I'm without
 Guess I'm in love with always feeling down
 See the problem was I
 Was fully consumed
 With all of the petty things that I couldn't do
 All of the plastic products, shows and woes
 I didn't ever show, I let it go
 So I listen while I'm told
 Sit back, don't think, get high
 Take drink, sit back, don't think
 The more I listen the deeper I sink
 Oooo
 I go higher and I say ooo
 Oh ooo I go higher
 This head that I hold is so tired
 And I say oohh no I go higher
 And I said Oohh what's it gon, what's it gonna be,
 Make me say oohh, what's it gon, what's it gonna be
 I'm feelin' so cold, but they won't, but they won't
 believe
 Make me say oh, oh, oh, oh, ohh
 So find me stuck in some scene
 I wanna get out but there's no in between
 So I sit back as I watch the crowd go

Never assuming that it's something so low
 See the answer is this
 If I wanna be free
 I gotta stop playin' round and runnin' from me
 Cuz all of the plastic products, shows and woes
 Got my head feelin' low, no room to grow
 So I listen while I'm told
 Sit back don't think get high
 Take drink don't feel just go
 If you listen carefully then you won't feel so low
 Sit back don't think the more I listen the deeper I
 sink
 Ooooo I got higher and I say oh oo I go higher
 This head that I hold is so tired
 And I say oh, no, I go higher,
 And I say oh, what's it gon, what's it gonna be
 Make me so oh what's it gon what's it gonna be
 I'm feeling so cold but they won't, but they won't
 believe
 Make me so oh, oh, oh, oh, oh!
 I say oh I go higher!
 And I say oh, oohh oh I go higher
 Get no sleep feed the empire
 And I say oh, no I go higher
 And I say oh I go higher
 And I say oh, oh oh I go higher
 This head that I hold is so tired,
 And I say no go higher
