Hey woman you got the blues
Cause you ain't got no one else to use
There's an open road that leads no where
So just make some miles between here and there
There's a hole in my head where the rain comes in
You took my body and played to win
Ha, ha woman, it's a crying shame

But you ain't got nobody else to blame

Rolled in from another town
Hit some gold, too hot to settle down
But a fool and his money soon go separate ways
And you found a fool lyin' in a daze
Ha ha woman, what you gonna do

You destroyed all the virtues that the Lord gave you
It's so good that you're feelin' pain
But you better get your face board the very next train

Evil woman how you done me wrong
But now you're to wail a different song
Ha, ha funny how you broke me up
You made the wine now you drink a cup
I come runnin' every time you cried
I thought I saw love smilin' in your eyes
Ha, ha very nice to know
That you ain't got no place left to go
