

Electric Light Orchestra (ELO) - Mr. Blue Sky

```
You had to hide away
                          tom:
                                                            Gm F
Intro: F
                                                           For so long
                                                           Where did we go wrong
[Primeira Parte]
                                                           Dm F
Sun is shinin' in the sky
             Em7 A Dm
                                                           Hey there Mr. Blue
There ain't a cloud in sight
                                                           We're so pleased to be with you
It's stopped rainin
                                                           Look around see what you do
                                                           Eb Bb
Everybody smiles at you
Everybody's in a play
And don't you know
It's a beautiful new day, hey hey
                                                           Hey there Mr. Blue
                                                           We're so pleased to be with you Gm F
Runnin' down the avenue
    Em7 A Dm
                                                           Look around see what you do
See how the sun shines brightly
                                                           Eb Bb
                                                           Everybody smiles at you
In the city on the streets
          Α
Where once was pity
                                                           F Em7 A7 Dm G
 Bb C
Mr. Blue Sky is living here today
                                                           Mr Blue Sky. Mis_ter Blue Sky
