## **Electric President - Safe & Sound**

Tide my friend tom: G F But you can have what's mine if it helps you stay [intro] C Afloat F С You took your hits with the bruises on the soles of If I close my eyes I can't watch you drown anymore my G Your feet Friend Well who's to say if they're deserved? But I'll tell you lies if it helps you sleep at night F C But you're turning reckless now And the more we fight, the more we don't get right Am F And the more we fight, the more we don't get right I heard you saying through your teeth, that you'll take Them down first С Am G Heard they broke you But I saw you flinch, when the doctors got the claws in Am That you gave in G You Am That you dropped F I saw your smile start to crack G And the fight had left you It's not so funny when you're sunk and there ain't F C Am G But don't you worry Nothing you can do Am G Makes no difference And your options are all dead ends Am From the start G But there's no way out Your options were all dead ends G I'll let you build your home with me till the clocks С F When there's no way out Run down G I'll let you build your home with me untill the clocks C When your looks run out F Run down G Call me and I will come and fix you get your feet on С When your luck's run out The ground C Call me and I will come and fix you get your feet on When there's no way out The ground G Am G Call me and I will come and bury you all safe and sound C When there's no way out (G) G Am G Call me and I will come and bury you all safe and sound (G) ( <mark>G</mark> ) (G) (G) (G) (G) F C And all this time you've been drifting out with the (G) ( <mark>C</mark> )
