You'd clean up this mess and you'd do me some good
                                                                                                    C F7M
I don't need you anymore I'm not the man you're looking for
                                                                                                                                                                                                       D7 F7

                                                                                                                       F7M
                                                                                                                                                                                                                        Fm7
          Can't you see there's nothing in your head
                     Am7
                                                                           Am7
And your body's on vacation
                                                                                      F Fm7
I keep hearing what I never said % \left( 1\right) =\left( 1\right) \left( 1\right)
               Am7 F Am7
You got me in your conversation
                                                                           F7M Em7
Now it's too late and you get what you see
                                                                                                               F7M
