

Elevation Worship - Hallelujah Here Below

```
Intro: Bm G D
                                                           D Em
[Primeira Parte]
                                                       Jesus Christ
                                                        Em Gbm
                                                       Our King enthroned
We are an altar of broken stones
                                                            Bm
                                                       All the praise is yours
   Bm G
But you delight in the offering
                                                        A G
                                                       Forevermore D Em Gbm
       Bm G
You have the heavens to call your home Bm A D
                                                       Hallelujah here below
                                                        Bm
But you abide in the song we sing
                                                       All the praise is yours
[Segunda Parte]
                                                        A G
                                                       Forevermore
                  G
Ten thousand angels surround your throne
                                                       [Quarta Parte]
       Bm G A
To bring you praise that will never cease
                                                       O what a wonderful day to come Bm G A
        Bm G D
But hallelujah from here below
          Bm A D
                                                       When every knee bows before your name
Is still your favorite melody
                                                                 Bm G D
                                                       But we will not wait until it does
[Refrão]
                                                             G A
                                                       For here and now shall Your Kingdom reign
D G
We sing
                                                       [Refrão]
 D A
hallelujah
                                                        We sing
    D G
Hallelujah
                                                        D A
                                                       hallelujah
 Bm A
Hallelujah
                                                        D G
                                                       Hallelujah
[Terceira Parte]
                                                          Bm A
                                                       Hallelujah
And should the fire that
G D
Once burned bright
                                                        We sing D A
 Bm G
Become an ember my eyes can?t see \begin{tabular}{c|c} Bm & G & D \end{tabular}
                                                       hallelujah
                                                        D G
I will remember your sacrifice Bm A D
                                                       Hallelujah
                                                        Bm A
I will abide in your love for me
                                                       Hallelujah
[Refrão]
                                                        We sing
D G
                                                        DΑ
We sing
                                                       hallelujah
 D A
                                                        D G
                                                       Hallelujah
hallelujah
    D G
                                                           Bm A
Hallelujah
                                                       Hallelujah
 Bm A
Hallelujah
                                                       We sing
                                                           DΑ
We sing D A
                                                       hallelujah
                                                          D G
hallelujah
                                                       Hallelujah
   D G
                                                          Bm A
Hallelujah
                                                       Hallelujah
   Bm A
Hallelujah
                                                       [Final] G D A D
                                                           G Bm A D
                                                              G D A D
