Intro: Dm F Gm A 4X

Dm F
Hey take a look at your way
Gm
You will see life is passing by

And a world you can't deny
Dm F
Hate will no longer change
Gm
Can't you see what done is done
A
You can't change what you've become

Dm F
And now you can't stand the pain
Gm
What you've fixed now is broken
A
By the words you'd never spoken
F
And then, and then you feel so alone
Gm
By the promisses you couldn't keep
A
you've made inside your mind

Dm F
Wait and count with the fate
Gm
All your world is falling down
F
And you can't see all around
Dm F
You wait, and till now you're waiting
Gm

And you just can't change your mind
A
Then you have become so blind

Bb
And you cry
Gm
As you ask yourself why the pain is so Strong

By remind the times we spent together
Bb F A
Cry, and remind that dream in fact is a lie, lie

(refrão)
