tom:  
Ab (forma dos acordes no tom de G )  
Capostrate na 1ª casa

It's been <sup>G</sup>three years and six whole months  
Since I <sup>D</sup>saw your face that night  
It took <sup>Em</sup>five seconds to fall in love  
And two more to make you mine  
Now it's <sup>G</sup>four in the morning, Sun's set and  
<sup>D</sup>Seven minutes with you and it's heaven  
<sup>Em</sup>Ain't an hour that rolls by  
I love you <sup>C</sup>24/7, 365  
  
Give you my name, if you wanted to  
Key to my heart if you want it too  
And I hope and pray that you'll stay right here  
Till we're old and gray in our last few years  
  
I'm on a knee I just need a yes  
A couple kids and a picket fence  
Share the memories like an open book  
Every page I read it still got me hooked  
  
And I'm fine spending my whole life on everything you like  
Is it obvious that all of this is right?  
  
Cause It's <sup>G</sup>been three years and six whole months  
Since I <sup>D</sup>saw your face that night  
It took <sup>Em</sup>five seconds to fall in love  
And two more to make you mine  
Now it's <sup>G</sup>four in the morning, Sun's set and  
<sup>D</sup>Seven minutes with you and it's heaven  
<sup>Em</sup>Ain't an hour that rolls by

I love you <sup>C</sup>24/7, 365  
  
I'll share the last bite of every meal  
I'll wipe your tears when you're in your feels  
And I'll hold you close through a thunderstorm  
When it's cold at night know I'll keep you warm  
  
'Cause I'm fine spending my whole life on everything you like  
Is it obvious that all of this is right?
