

Elijah Woods - Wildfire

tom:
Capostrate na 2ª casa

Found you 'bout a year ago now
I was headed West and you were living in that place downtown
I was so depressed in L.A.
Living in the mess I made and then you turned it all around

[Pre-Chorus]
Tell me what have I done? 'cause I don't deserve someone like you
You can have anyone, but I'm the one you choose

[Chorus]
Oh-oh, oh-oh
It's only gonna burn brighter, oh-oh, oh-oh
'Cause your love is like wildfire
Oh-oh, oh-oh, it's only gonna burn brighter

Oh-oh, oh-oh 'cause your love is like wildfire

[Verse 2]
Drove out to your parents last night
Your mom is such a saint, and oh, your dad is just a stand up guy
And baby, I don't like anyone
So why is this different? Usually try to stay distant

[Pre-Chorus]
Tell me what have I done? 'cause I don't deserve someone like you
You can have anyone, but I'm the one you choose

[Chorus]
Oh-oh, oh-oh
It's only gonna burn brighter, oh-oh, oh-oh
'Cause your love is like wildfire
Oh-oh, oh-oh, it's only gonna burn brighter
Oh-oh, oh-oh 'cause your love is like wildfire
