

Elimar Santos - Brigas

Tom: F

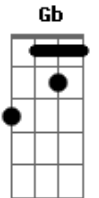

Veja só
 Que tolice nós dois
 Brigarmos tanto assim
 Se depois vamos nós a sorrir
 Trocar de bem e fim
 Para que maltratarmos o amor
 O amor não se maltrata não
 Para que, se essa gente o que quer

É ver nossa separação
 Brigo eu, você briga também
 Por coisas tão banais
 E o amor, em momentos assim
 Morre um pouquinho mais
 E ao morrer, então é que se vê
 Que quem morreu
 Fui eu e foi você
 Pois sem amor, estamos sós
 Morremos nós
